Keeping in Touch

Finding it difficult to keep in touch with everyone in the CSRA Tres Dias Community? Wondering when the next Secuela or meeting date is? We know what you mean! God has blessed our community with bountiful growth, and with that growth, has come some growing pains. Among them, is the complexity of keeping in touch with all the members and keeping everyone abreast of what is happening. We are working diligently to remedy these issues, but in the interim, we need some help. Many of our members have had address changes, email changes, or phone number changes. This is where you come in. If you are receiving this newsletter, then 'your' information is up to date! That's the good news. Now, you can help by sharing our information with someone who you know isn't plugged in or has changed their personal information. Please have them contact us via email at sharc00@knology.net or idospas@knology.net. We can also be reached at 706-651-9083 for those without email. Through this effort we hope to totally update our information database to insure that everyone who wishes to stay plugged in is getting all the right information to do so!

Your Brother and Sister in Christ,
Aaron and Rachel
